TOWN OF LOS GATOS PARKS AND PUBLIC WORKS DEPARTMENT REPLACEMENT CANOPY WORKSHEET

Tree Replacement Requirements

Canopy Size of Removed Tree ¹	Replacement Requirement ^{2,4}	Single Family Residential Replacement Option ^{3,4}
10 feet or less	Two 24 inch box trees	Two 15 gallon trees
More than 10 feet to 25 feet	Three 24 inch box trees	Three 15 gallon trees
More than 25 feet to 40 feet	Four 24 inch box trees; or Two 36 inch box trees	Four 15 gallon trees
More than 40 feet to 55 feet	Six 24 inch box trees; or Three 36 inch box trees	Not Available
Greater than 55 feet	Ten 24 inch box trees; or Five 36 inch box trees	Not Available

¹The widest measurement shall be used to determine canopy size.

²If approved by the Town Arborist, in-lieu fees are as follows:

24" Box Tree	\$250
36" Box Tree	\$500

³Single Family Residential Replacement Option is only available for developed single family residential lots under 10,000 square feet that are not subject to the Town's Hillside Development Standards and Guidelines. All 15-gallon trees must be planted on-site. Any approved in-lieu fee for single family residential shall be based on the 24" Box Tree fee above.

⁴Replacement Trees shall be approved by the Town Arborist and shall be of a species suited to the available planting location, proximity to structures, overhead clearances, soil type, compatibility with surrounding canopy and other relevant factors. Replacement with native species shall be strongly encouraged. See attached FAQs for replacement requirements in designated Hillside Areas, which shall comply with Appendix A of the Town's Hillside Development Standards and Guidelines.
